Olathe Public Schools USD #233
ATHLETIC/ACTIVITIES (CO/EXTRA-CURRICULAR)
SUBSTANCE ABUSE AGREEMENT

Students participating in athletics and/or KSHSAA activities will not use or possess tobacco, alcohol, illegal drugs, or substances that are dangerous to a student’s health. Because the use of alcohol, illegal drugs, and tobacco is detrimental to the health and welfare of any student and because the use of alcohol and illegal drugs and the purchase of tobacco is illegal for adolescents in the state of Kansas, Olathe school district administrators, coaches and activity sponsors believe that the use or possession of the above substances is unacceptable.

The use, distribution or possession of tobacco (including electronic cigarettes and vaping devices), illegal drugs and alcohol, on or off school property, will be considered a violation of published policy during the time the student is a member of an Olathe district athletic team and/or KSHSAA-sponsored activity.

Violation of this regulation may be reported by a school district administrator, a staff member from the student’s school, the police, or upon verification by the parents of the accused student and/or admission of the student athlete or co-curricular student.

.....

As a participant in co-curricular and/or extra-curricular activities at an Olathe public school, I have received, read and agree to the “Implementation Procedures and Minimum Consequences” (printed on the back) about “no use” or possession of tobacco, alcohol, illegal drugs, or substances that are harmful or dangerous to my health. I understand that I may be subject to the consequences listed on the “Implementation Procedures and Minimum Consequences,” which could result in the exclusion from any or all activities.

However, if a second or third violation takes place a ‘clean slate’ is not granted for the remainder of the students’ high school career.

Implementation Procedures and Minimum Consequences
Athletic/Activity (Co-Curricular and Extra Curricular) Procedure Concerning
Substance Abuse

First Offense:

After confirmation by school officials of the first violation, the student will be placed on initial probation from his/her athletic team, co-curricular or extra-curricular activity.

- For athletics, the period of initial probation shall be for not less the 14 calendar days. The student will not be allowed to compete within the 14-day probation period and will be required to miss a minimum of one competition. The student will also be required to attend a substance abuse program. However, if the student shows proof of enrollment and attendance in an approved substance abuse program, the student may be allowed to attend practice sessions with the approval by the coach and school administration.
- For non-athletic, co-curricular or extra-curricular activities, the period of initial probation and severity shall be determined by the activity sponsor and school administration. The length of probation will be based upon the duration of the activity in which the student is participating and the nature and frequency of the scheduled upcoming performances or activities. An attempt will be made to assign disciplinary consequences in a timely manner. The student will also be required to attend a substance abuse program. However, if the student shows proof of enrollment and attendance in an approve substance abuse program, the student may be allowed to attend practice sessions or meetings with approval by the sponsor and school administration. *In regard to in-class participation for those students in co-curricular activity classes (i.e. band, vocal music, cheerleading, drill-team, etc.) this policy is not intended to have an effect on a student's grade for the course.*

Second Offense:

After confirmation by school officials of a second violation (less than 365 days of the first offense for the student regardless of activity/season), the student will be placed on a final probation from his/her athletic team, extra/co-curricular activity.

The student will not be allowed to compete within the 28-day probation period and will be required to miss a minimum of 3 competitions. The student will be required to show proof of participation in the substance abuse program.

The length of probation will be based upon the duration of the activity in which the student is participating and the nature and frequency of scheduled upcoming performances or activities.

In all cases, the consequences assigned shall be greater than the consequences for the first offense. An attempt will be made to assign disciplinary consequences in a timely manner.
